### **Session 2019-2020**

#### **Best Practice one 'BetiPadhao'**

1. Title of the best practice Women's Higher Education- Mission Admission
2. Objectives of the practice:- Our college has main feeding from villages near by in the radius of 25 kms. After passing 12th. Most of the girls don't learn. The parents also have no desire for girl's higher education. It is one of the objectives of our mission to convince the parents and the students for joining Higher Education.
3. The context-The main challenging issue is the social dogma of the society. In the counseling of parents, we have to change their views about women education in villages. Marriage of the girl is the ultimate aim for them. It is a great challenge to convince them. Due to these views, drop-out rate is also more in rural area. We try our level best to convince the parents in personal meetings. For that, many a times we have to go to the student's home.
4. The Practice- As soon as the result of std. 12th is declared, we visit the students and parents at their homes. We regard it as our social responsibility. We think that the girls must come out for Higher Education.
5. Evidence of success -We get success in this task every year. Our target of 'Mission Admission'' is always completed. We are the only one college to reach up to students homes and bring them to the main stream of higher education. Thus many students could complete their graduation from our college.
6. Problems Encountered and Resources Required It is very difficult to get the address of the girl students who has passed std. XII. Jr. colleges do not give the lists easily. It is equally difficult to convince the parents.. Economic problem is the most important problem for them to overcome. In spite of all these problems we get success in completing our target cent percent.

7. Empowerment of women is the goal of the Institution. To reach up to the goal, we try to fulfill our target cent percent. This year target of 120 admissions is completed and additional 5 admissions are given with special permission of the University.

## **2) Best Practice Second**

1. Title of the Best Practice - Competitive Exams Guidance and concealing Center  
We conduct Free Coaching Classes for MPSC, UPSC, Banks, Railway and other state level competitive exams too.

2) Objectives -To create awareness about competitive exams among the students, confidence building, career counseling, career guidance are the various aspects for women empowerment as per our mission and vision.

3. The Context - We try to convince them that it is the base of all the competitive exams. We arrange guest lecturers and regular coaching classes for the preparation.

4. The Practice - We run this regular coaching class absolutely free. We try to change the mentality of parents about women's education. We convince them to teach their girls so that she would stand on her own legs. These classes are open to all girls students. We get satisfaction to see our students in better position in various offices.
