Strategic Plan

Our Management body has decided to develop the infrastructure of the college. We have drawn a map of new building which includes a separate reading room, a seminar hall and some new class rooms. We have also planned for a new computer lab. Our management is trying best to fulfill the further plan. We are also trying to start new faculty of commerce which is under process. Our institution is also trying to do 12B and 2F of Mahila Kala Mahavidyalaya. We have planned to increase the number of software's and to work for optimum use for it. We will give more stress on E-communication and ICT use. We have also planned for separate library and reading room for the students who are appearing for the competitive exams.

Mahila Kala Mahavidyalaya, Umred drafted out its strategic plan which draws out action plan for achieving the institutions Mission. The strategic planning process was initiated by the IQAC to give a strategic direction for growth. A Strategic Plan Advisory Committee (SPAC) was constituted in the year 2018 with the following Members:

Adv. Bhaiyasaheb Pongade - President of The Institution

Shri. Sanjayrao Dani – Secretary of the Institution

Shri. Dattatray Totwar – Vice Secretary of Institution

Prof. Ajay Mundhada – Vice President of Institution

Dr. Sarla Meshram – IQAC Coordinator

Dr. Lakhapati Gaikwad – Assistant Professor

Prof. Sudhakar Mate – Assistant Professor

Prof- Arti Khewale – Assistant Professor

Prof. Upendra Bagul – Assistant Professor

The Process

In order to have a better structure to the strategic plan, the strategic planning advisory council adopted the five pillars of knowledge delivery which was the guiding pillar goals for the institution. They are:

1. Admissions & Selection: Enroll, educate, and graduate the most promising, deserving, and diverse student pool possible.
2. Academic System: Motivate all students with an education that is innovative, distinctive, and of the highest quality, and that inspires in them a zest for learning
3. Faculty excellence: Maintain and enhance efforts to recruit, nurture, and retain diverse faculty members who are outstanding scholars and teachers
4. Student Outcome: Improve our outputs by enhancing academic excellence, creativity in our students and thereby contribute to the betterment of society.
- 5 Infrastructure:- Create a most modern and conducive educational environment which facilitates free thinking and efficient knowledge delivery system.

SPAC gathered input from students, faculty, administrator and advisory boards regarding continue appropriateness strategic goals and objectives. This input was collected during faculty council meetings, meetings with student groups and meeting with various advisory boards. The plan document was drafted for fifteen years for the year 2018- 2033.
