Date:	8 th March 2025
Venue:	College, online Mode
Name of Organizer:	IQAC, ICC, History & Political Science Department,
No. of Participants:	140

One Day National Level E-Workshop was organized by IQAC, ICC, History & Political Science, Department, Online mode on 8th March 2025. Principal, Dr.Lakhapati Gaikwad, presided over the programme. The inaugurator of the inaugural programme, Prof. Dr. Shyam Korety, Dean, Faculty of Humanity, RTMNU said that research is a very curious process. But it is complex and difficult to implement. Positive mindset is important for good research. Causes and effects are main factors in research. Research is a finding answer to question in an organized and logical and systematic fashion. President of the inaugural session Prof. Ajay Mundhada addressed that many subjects of social science are useful for research and making public policy. Participants will be able to understand the meaning of public policy research. Participants will be able to explain the key characteristic of social science research method used in public policy analysis. First session resource person Prof. Dr. Hitendra Dhote, Adarsh Arts & Commerce College, Desaijanj, Gadchiroli delivered his lecture on Data collection and Ethics of Research. He briefly told that data collection is the most important process of research. Data means topic related material, information. Data is called raw information. Data collection choice depends on the situation. Each technique is more appropriate in some situation than others.as well as Ethics is the branch of philosophy. Ethics can not be taught but only can be practiced. Ethical principles are truth, freedom, responsibility, integrity, professionalism and collaboration. Second Session resource person Prof. Dr. Abdul Jinnah, Jamal Mohamed College, Tricy, TamilNadu delivered his lecture on Recent trends in research in social science. He briefly told that Social science research is increasingly addressing global challenges like climate change, inequality and migration, the digital age has brought forth vast amount of data from social media, online interaction and digital trace. President of this conference Dr. Lakhapati
